

Questions for possible work around claims
Please Print Clearly

Name _____ **Local Union** _____

What day did you first contact Oak Harbor and make yourself available for work?

What day did the company inform you work was available for you?

What day did you officially report for work?

Did you need to take a Urine Analysis? If so, what day were you informed that you needed to do this?

What day did you receive paperwork from Oak Harbor to go take a Urine Analysis?

What day did you go take the Urine Analysis?

What day were you notified that the Urine Analysis was clear?

Did **you ask** for any time that delayed your return to work?

Was that time granted and for how long, if applicable?

Was there any other delay for your return to work other than at your request? If so, what was the reason for delay and for how long?
